

ns3::DGRTcpApplication  
::StartApplication

```
graph LR; A[ns3::DGRTcpApplication::StartApplication] --> B[ns3::DGRTcpApplication::ConnectionSucceeded];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'ns3::DGRTcpApplication::StartApplication'. The right box is gray with a black border and contains the text 'ns3::DGRTcpApplication::ConnectionSucceeded'.
